

OBSIDIANS MARCH POTLUCK

Norway: People, Culture, and Geography

Presentation by Caroline Forell and Dave Strutin

Find out why folks from Norway are NOT moving to the "US of A." What does Norge look like, feel like, and what can you do on a visit there? Obsidian Dave Strutin has visited Norway several times in different seasons and will share his insights about the country, culture, and geography. Caroline Forell hiked in the Bergen area with friends last summer and will show slides of this beautiful area. Fjords, rivers, waterfalls and rain: water, water, everywhere.
